*Mastery means student passes test with fewer errors than indicated on page (Sets 1 to 5) and within time indicated (Sets 5 to 8). If Redo, indicate what booklet to move back into. When there is a timed L.B. Test, tutor conducts the first L.B. Test (not timed) and scores the errors, then lead teacher conducts the second/timed L.B. Test. Tutors should not allow students to practice L.B. Test.
